LEADERSHIP EXPERIENCE

Dairy Queen General Booth Location, Virginia Beach, VA (2019 – 2021) *Shift*

Leader

- Managed a team of crew members (around 5-10 people).
- Ensured that product of sufficient quality went out to customers in a timely manner.
- Ensured that all cleaning duties were done to a high standard.
- Completed closing duties, including nightly paperwork and counting of nightly deposit.

Monarchy Game Design and Development Club

- Participated in weekly meetings to learn about game design concepts, as well as tools of the trade, including programming games in the Unity Game Engine using the C# programming language.
- Worked as a part of a team as the lead programmer in the development of a game themed after Old Dominion University.

BSA Aloha Council Troop 304 (2012 – 2018)

Senior Patrol Leader and Troop Guide (Earned Eagle Scout Rank in 2018)

- Lead weekly meetings and monthly campouts for about 10 scouts focusing on leadership, survival skills and safety protocols.
- Assisted with coordinating several community service projects for the troop, such as beautification events and refurbishing projects.
- Ensured patrols were properly meeting guidelines and requirements, setting goals, and following procedures.
- Completed over 100 hours for community service initiatives.

ADDITIONAL SKILLS

- Proficiency in object-oriented programming languages, including C++, Java, and Python.
- Worked with various Python modules/libraries, including NumPy, Pandas, and BeautifulSoup4
- Foundational knowledge of programming games in the Unity Game Engine using C#.
- Foundational knowledge of web development technologies, including HTML, CSS, and JavaScript
